## The Chronicles of Jo Loves

Discover a larger-than-life, scent-inspired Christmas tree and immersive fragrance experience that greets guests at the ground floor lobby, within a nod to the hotel's new Jo by Jo Loves amenity line.

The Christmas installation features a snowy scene with an impressive 14 ft Christmas tree, laden with twinkling lights, whimsical red and white bows and baubles, and mini bottles of Jo by Jo Loves.

Gifts beneath the tree, and hanging from its branches, are wrapped with Warner House's Starlight and Knotted Sash prints, which feature on this year's Jo Loves x Warner House Christmas Collection.

## Christmas Wreath Workshops in collaboration with Raw Bloom

The hotel is opening some of its spectacular suites in a series of festive wreath-making workshops, with tickets available both to in-house guests and the public.

Alongside magical views of London's skyline, a glass of Champagne and freshly-baked mince pies, attendees can learn how to craft their own traditional festive wreath with a tutorial by expert florists from Raw Bloom, using fresh pine, dried fruits and florals and an apron to take home.

Once happy with their creation, guests are invited to enhance the aroma of their wreath by spritzing it with 'Christmas Trees: A Lifestyle Fragrance' by Jo Loves, featuring notes of fresh Pine with aromatic Lavender, Incense and Amber.

Priced at £150 per person, these workshops will take place from 6pm to 7:30pm on:

**THURSDAY 7TH DECEMBER**  
**WEDNESDAY 13TH DECEMBER**
