SHANGRI-LA'S RASA SENTOSA RESORT & SPA

WE BEGIN WITH
A MEETING MADE
IN PARADISE.

MEET with a difference. Shangri-La's Rasa Sentosa Resort & Spa offers three personalised, creative and fun options to jolt your typical boardroom meeting into action. Break away from the norm, adopt a different perspective, achieve the unachievable.

Get connected with the environment and *engage WITH NATURE*. A touch of green in the resort's lush, verdant surroundings will rejuvenate and recharge participants' weary minds from the four walls of their meeting room.

Or, *explore* and develop the team's potential by coaching through play and interaction. This is an opportunity to inject fun and instill social responsibility amongst your colleagues whilst cascading the company's sales, production and training targets.

Alternatively, seek major adrenaline rush and get your heart pumped up with *excite*'s land, sea and air obstacles. Singapore's one-of-a-kind Flying Trapeze challenges you to extreme, cool aerial stunts such as knee-hangs, mid-air flips and basic somersaults under the guidance of professional instructors. A definite must-try to stimulate concentration and worn out minds!

*e*NG*a*ge

Pronunciation: /én'geɪdʒ/

Verb

: [No object] (engage in or be engaged in)

Participate or become involved in

: Establish a meaningful contact or connection with

ENGAGE WITH NATURE

Greenness. Wellness. Two crucial elements to experience your meeting in a holistic mode, overlooking the panoramic vista of the South China Sea. This is the ultimate package to inspire, motivate and stimulate meeting participants.

Organically Yours

Create your own salad. Harvest fresh herbs from the garden by the waterfront and take your pick from a variety - lemongrass, kaffir lime leaf, basil, Vietnamese mint, curry leaf and more.

Wellness Wonders

Recharge and refresh the mind, body and soul. An array of neck, body and foot massage is available to soothe tired muscles and relieve tension.

Sunset Sip

A picture is worth a thousand words. Experience this surreal moment; a beautiful sunset on the horizon, right on the waterfront of the South China Sea, as you partake in refreshing sips of creative cocktails.

Pronunciation: /ɪk'splɒ

Verb

: [no object] (explore for) Search for

: Discover on

NURTURE TEAM SPIRIT

Build close camaraderie. All through interactive fun, with a variety of socially-responsible team-building activities.

Eco App-Venture

How vigilant or alert are you of the surroundings? Put these vital abilities to test and engage in some fun resort trivia. No cookies for the winner, but you are welcome to sing and dance for your colleagues at dinner.

Live, Breathe Nature

Fun with a good cause. Do your part for the environment. A range of team-building activities, from beach cleaning to tree planting and nature walk, provides a welcome respite to tired souls after sessions of intense discussions and number crunch.

Sunset Beach BBQ

The golden orb of the setting sun on iridescent waves, with live renditions of the band serenading through the night, present perfect ingredients to the scrumptious spread of succulent barbecue prepared a la minute for your dining pleasure.

Experience IT

How about a unique team-building experience that lets you bond with your team as well as do your part to provide a greener environment for the future generation? Participate in a beach clean-up activity or spice things up with a cocktail and mocktail mixing class using herbs grown at our very own herb garden.

excite

Pronunciation: /ɪk'saɪt

Verb

- : [with object] Cause (someone) to feel very enthusiastic and eager
- : Produce a state of increased energy or activity in (a physical or biological system)

excite

HEART JACKING

Intense adrenaline rush. A thrilling energy boost for the brain activity to keep the creative juices flowing through the boardroom.

Raft It Up

Test your team spirit and survival skill in the outdoors. Build a raft out of cardboards. The ultimatum: It has to withstand your weight, float and sail.

Cheer for Your Team

Your team vs. the Rasa team! Enjoy a friendly beach volleyball match on soft, powder white sand. This is a great time to soak in the beach ambience with a healthy dose of refreshing sea breeze.

I Believe I Can Fly

Soar eight metres off the ground and attempt stunts like knee-hangs and mid-air flips at The Flying Trapeze. Your meeting experience will never be the same again.
