SHANGRI-LA'S BORACAY RESORT & SPA

*WE BEGIN WITH
A MEETING MADE
IN PARADISE.*

THE IDEA is to break you away from the usual boardroom meetings and offer customized venue solutions that fit your team's diversity and profile. There are times when you need to mix business with fun in order to seal the hard edged deals, or stimulate ingenuity from your hardworking colleagues.

At Shangri-La's Boracay Resort & Spa, we offer you innovative "MEET" conventions that adhere to your company's agenda while exploring the possibilities of utilizing our unique resort to stimulate "out of the box" thinking. Now your inspiration and success have a venue.

Once the mega plans are in place, it's time to step out and "MIX" for recreation with activities designed to strengthen the dynamic relationship of your team. Either on the lush yet perfectly manicured garden or the inviting crystal blue waters of Boracay.

And, because nothing helps you reap beneficial results better than the lure of business with pleasure, our team of experts will be with you to orchestrate an unforgettable "MINGLE" activity. It will enable your team to move around during the party and build their network in a breeze. Showcasing unique dining experiences by our world-class culinary team, your event will definitely appeal to anyone who believe that work made fun gets done!

MEETING WITH A VIEW

Break away from the usual meeting set-up and take your team to somewhere unexpected. Conduct your planning sessions in a strategic location with a holistic approach, on a Tree House or in an enclosed venue with a panoramic view of the ocean.

Stimulate their senses and get better insights from your team. Fascination is wonder. It begets curiosity, awareness and reflection.

MORE THAN A CUP OF COFFEE BREAKS

This is not your typical coffee break in between meetings. After some tedious sessions of planning, strategizing and technical drillings, a break with a real halt perhaps is needed for a little rewiring.

COFFEE BREAK ACTIVITIES **NOT-AS-USUAL**

or considered together

*IT'S NOT ABOUT

CARING CULTURE AND
POSITIVE BEHAVIOR.*

BUSINESS WITH PLEASURE

Our proposed activities focus on short-term recreational experiences that your team can do together. This will help them achieve that certain depth in their professional relationships that bring harmony to the work place. Allow us to show you the ways to create unique and fun bonding time with your team.

A GET TOGETHER WITHOUT AN AGENDA

The best gesture of appreciation for hard work is a pat on the back in a ravishing social event. This is the time to share and reap the rewards of your company's success, and there's no better place to celebrate it than in the seclusion of a luxurious paradise. Allow us to organize a social function like no other, set in unique locations of the resort with exceptional dining experiences prepared by international kitchen and food service teams.
