Roasted Peking Duck

PEKING DUCK

Peking duck is one of the most renowned and popular dishes of Chinese cuisine that was once an imperial dish made for only the Emperor and his guests. Introduced during the Ming dynasty, Peking duck has been a delicacy in China for over 600 years, where chefs from all over the country fought for the opportunity to come and create this dish especially for the Emperor. It was only in 1911 that the delicacy was introduced to the larger public.
