

The image shows the interior of a modern Japanese restaurant. The ceiling is made of horizontal wooden slats, and the walls are also wood-paneled. Large windows on the right side offer a view of a city at dusk. The restaurant has several long tables with green placemats, white napkins, and glassware. The lighting is warm and ambient, with pendant lights hanging from the ceiling. The overall atmosphere is sophisticated and contemporary.

PAN ASIAN SYMPHONY AT YATAII

At Yataii, we celebrate the harmony of flavors that transcend borders. Our Pan Asian selection brings together treasured recipes and street-side inspirations from across Thailand, Korea, Indonesia, Singapore and beyond which is thoughtfully woven into our Japanese spirit of craftsmanship.

Every dish tells its own story, be it the delicate kimbap rolls wrapped with care, satays steeped in rich peanut sauce, vibrant Som Tam papaya salad, or a bold seafood tom yum miso that bridges Thai zest and Japanese umami. The ingredients are chosen for their freshness and character, so each bite feels familiar yet wonderfully new.

Curated by our chefs, these creations aren't just meals but they are moments meant to be shared, savored, and remembered. From the comforting spice of rendang to the gentle heat of chili yakisoba, there's something here for every palate. Let this be your invitation to explore our new Pan Asia through a Japanese lens and be an experience not to be missed.
