Help Panda Find His Bamboo

There are many tasty foods in the forest, but the panda only likes bamboo. Can you lead him to it?

Corporate Social Responsibility

Did you know that Flying Foxes are also called Fruit Bats. They are known to be herbivores whose favorite food include nectar and pollen from plants, as well as delicious fruits around their roosting areas.

Culture

During the month of January, people from the towns in Aklan celebrate the Ati-Atihan Festival in honor of the Santo Niño. People paint their faces, wear colorful costumes, and dance to the beat of the drums, while shouting, "Viva kay Señor Santo Niño!".

Geography

Boracay Island is famous for its powdery white sand. Some stories say that the name Boracay came from the local word "borac" which means white cotton that is close to the color and texture of the island's sand.
