## Kind Reminders from Wedding Specialist:

- \* Bridal couple to pay attention to their health and diet:
  - ✓ Avoid spicy food and strong taste food
  - ✓ Light and nutritious food are highly recommended
  - ✓ Try not to have strenuous exercise,, keep a relaxed mind which will relieve all stress and pressure
- \* Recommend the bride to wear a medium height shoes instead of an extreme high heels as the bride will be standing for all day long. (Suggest white, sliver, gold or light color for easy matching)
- \* Massage your eyes before going to bed to avoid the dark circle
- Drinking some Jasmine tea will help to relax
