SHANGRI-LA'S SIGNATURE WHISKEY SOURS

In seafaring times of the 1800's, the Whiskey Sour was a concoction created to stave off sea sickness, thirst and scurvy by combining a mixture of spirit, sweet and sour.

At Shangri-La Colombo, we invite you to discover the Napoleon Whiskey Sour where our expert mixologists have given this beloved cocktail a Shangri-La twist with layers of citrus, featuring a splash of lemon juice combined with syrupy mandarin and a dash of orange bitters for a beautiful depth of flavours. It is then smoked with maple wood chips in a specially crafted trunk for extra oomph.

For enhanced flavor and flair, allow our mixologists to curate our signature sour with a selection of bourbons or scotch whiskies before smoking the cocktail inside one of the specially crafted trunks.
