LONDON *Tea* EXCHANGE

SELECTION

Premium English Breakfast

A true English classic, popularised in the 1800's. Our blend combines the earthiness of Sri Lankan tea, the maltiness of the Assam leaf, and the smokiness of Indonesian black tea.

Premium Bora Bora

This tantalising blend of strawberries combined harmoniously with tropical papaya and embellished with multitude of accompanying fruits resulting in an irresistible sweet and tangy taste. Refreshing either hot or cold.

Premium Earl Grey

Quintessentially British, and designed for Earl Grey connoisseurs. Our premium Earl Grey combines black teas from Yunnan (China) and Ceylon, blended with the finest pure bergamot oil from Calabria, Italy.

Premium Emperor's Palace Tea

Originally reserved only for Chinese Royalty, this leaf is only found on mountainous regions in the Fujian province. This pure green cup boasts a light flavour with nuances of honey.

Premium Sencha Sakura

A tea that is synonymous with Japanese culture. The tea is beautifully embellished with rose petals and enriched with a delicious cherry flavour. Delicate in terms of taste and aesthetics.

Premium Milk Oolong

This premium Oolong is produced entirely by hand. After withering, the slightly wet leaves are heated in milk water steam which creates a truly distinct creamy and fruity taste.

Pistachio and Truffle

Developed to celebrate the culture and flavour of the Middle East. Real pieces of pistachio and chocolate truffle are used in the blend, which took over two years to perfect. A perfect combination of pistachio and truffle provides a rich taste irresistible for those who enjoy pistachio.

Premium Sea of Blossoms

This rare infusion has been masterfully blended with an array of blossoms with hints of raspberries, rhubarb and cherries. A soothing and relaxing cup ensuring a sublime moment of peace.
