Tea Selection

BLACK TEA

English Breakfast

The skill of the master blender is to take teas of unique taste and character and create a composition that bears his signature taste. The original English Breakfast tea was a blend of Ceylon and Indian Assam teas.

Shangri-La Signature Blend

The Shangri-La Signature Blend is a Ceylon tea from the Waltrim tea garden. It is a Dimbula region tea which is what made Ceylon tea famous.

CLASSICS

Earl Grey

A natural bergamot fragrance blended in to a mild medium-grown Ceylon tea. A delightful brew with the rich, lemony tone of natural Earl Grey blending well with the sharp malty taste of the tea.

Chamomile

A centuries old herbal infusion known for its calming properties. The light mellow cup has an earthy character and is caffeine-free.

Peppermint

A caffeine-free herbal infusion with a light cup and a dominant yet refreshingly soothing mint character that lingers.

Darjeeling

Grown at the foothills of Himalayas, this full-bodied brew has a golden appearance. This tea is characterised by its muscatel flavour, floral fragrance and a sweet champagne aftertaste.

CHINESE TEA

Gong Mei

White tea is a natural sun dried tea and it is a very special Chinese tea. Its name derives from the fine silvery-white hairs on the unopened buds which give the plant a whitish appearance.

Osmanthus

flowers are famous in China for their use in making imprinted teas. This ancient art combines fresh flowers with a fine black tea several times to 'imprint' the Osmanthus onto the tea.
