A CELEBRATION ABOVE ALL

We offer an exquisite collection of event spaces, each framing London's most iconic landmarks in breathtaking style.

Inspired by the first three of Confucianism's five constant virtues: Ren (benevolence), Yi (righteousness) and Li (propriety), our private rooms combine elegant design with floor-to-ceiling windows and state-of-the-art facilities.

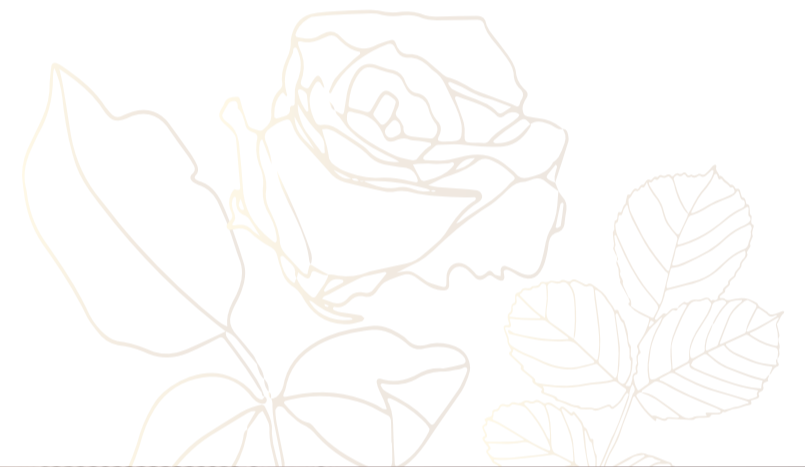

Licensed for weddings and civil partnerships, the hotel provides a choice of exceptional venues, including three river-facing event rooms on level 34.

REN ROOM

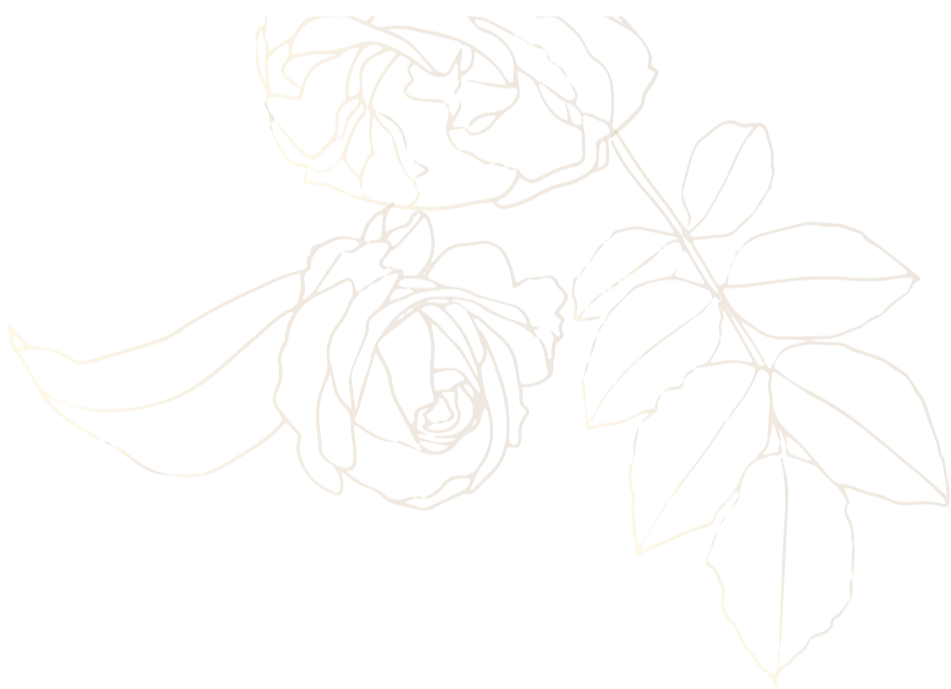

The Ren Room is the largest private room in the hotel and boasts uninterrupted views of The River Thames and The City of London.

Ren has a wedding breakfast capacity of 100 guests and a reception capacity of up to 100 guests. The entire 34th floor can also be hired for exclusive use.

LI ROOM

With stunning views of London Bridge, St. Paul's Cathedral and beyond, the Li Room is the perfect venue for a wedding of up to 30 guests.

YI ROOM

Overlooking London's famous Tower Bridge and the Tower of London, the Yi Room offers an intimate venue for up to 12 guests.
