An aerial photograph of the Ile aux Cerfs Golf Club at sunset. The foreground shows lush green golf courses with sand traps and a small pond. A winding path leads through the vegetation. In the middle ground, a large, calm lagoon reflects the golden light of the setting sun. Several small, forested islands are scattered in the lagoon. In the background, a range of mountains is visible, with a prominent, sharp peak (Pic du Cerf) standing out against the sky. The sky is filled with soft, white clouds, and the overall atmosphere is serene and picturesque.
