A visit to explore the taste of Quảng Nam - Vietnam

HOI AN

THE TASTE OF VIETNAM

Bánh xèo - Vietnamese Pancake

The unity of Vietnam's three regions – North, Central, and South - with a crispy outer layer, filled with shrimp, pork, and bean sprouts, rolled in fresh herbs and rice paper. Each pancake represents the convergence of regional flavours: the boldness of the Central region, the subtlety of the North, and the richness of the South.

A RIVER IN QUẢNG NAM

Vietnamese Fish Soup

A rustic soup that evokes memories of family meals by the riverside. Freshwater fish cooked with pineapple, tomato, Taro stem, and local sour herbs creates a light, refreshing flavour that captures the essence of warm, simple countryside afternoons.

Quảng Nam - Da Nang is known for its lush green villages where people grow their own vegetables for daily meals. This salad uses the freshest and most humble vegetables, blended with a tangy Kumquat fish sauce dressing, evoking a peaceful and familiar visit to the countryside.

THE SOUL OF MY HOMETOWN

WITH LOVE FROM VIETNAM
