WEDDING & CELEBRATIONS

in Oman

Celebrate New Beginnings with New Meaning

At Shangri-La, age-old rituals take on modern expressions and traditions gain new life, giving every wedding celebration a fresh depth of meaning. The sparkling Gulf of Oman provides a magical backdrop as you celebrate the start of a new adventure with your new spouse, family and friends. Choose luxurious intimacy or glamorous splendour; make your vows framed by a spectacular ocean view, on the sparkling sands of the beach, amidst the rich scents of a tropical garden or wed in grand style in a chandelier-lit ballroom. Whatever your heart desires, our expert team will ensure that the moment that marks the beginning of your lives together is an idyll that lives up to your every fantasy.

From the mountains to the sea, make your vows in paradise

Begin your shared journey in your own, personal Shangri-La: a hidden paradise full of charm, Shangri-La Muscat is the wedding destination of your dreams. An exceptional setting for every style of celebration, 124 acres offer the perfect backdrop for your ideal outdoor wedding: the towering Hajar mountains, verdant gardens, a vista across the shimmering Gulf of Oman to the horizon, or an amphitheatre capable of hosting a party for a thousand people.

Our Sustainability Journey

TURTLE CONSERVATION

- Our very own Turtle Ranger protects the endangered Green Turtle and the critically endangered Hawksbill Turtle who nest on our beaches.
- During turtle hatchling season, you are invited to watch the turtles make their first run for freedom to the Gulf of Oman sea. In 2023, 154 turtles gave birth to 4,369 hatchlings.

BEACH CLEAN-UP

- Every month we clean our private beaches as well as the community beaches along with the Environment Society of Oman.

ROOTED IN NATURE

- Our restaurants' Rooted In Nature dishes are made using local and ethically sourced produce. Our seafood is sourced directly from the local fishermen and from Muttrah market, and we cook with free range eggs.
- We grow herbs and vegetables in our garden that our chefs use in the kitchen.

WATER CONSERVATION

- Our water recycling system has recycled more than 120 Summer Olympic pools' (50 metres) worth of water since 2022.
- The resort's closed loop water recycling system minimizes water wastage, and treated sea water is used to irrigate the plants.

ELIMINATING SINGLE USE PLASTICS

- Plastic bottles have been replaced with water dispensers around Shangri-La Barr Al Jissah which can be used to fill the recyclable and reusable aluminum water bottles we have gifted to guests.
- Over the past two years, 107,386 single use plastic items amounting to 2,500 kgs were eliminated from our resorts.

CONSERVING ENERGY

- We've switched to LED lights, and in 2023 we saved 203,704 KWH of energy.
- Linens and towels are replaced every second day, unless otherwise requested.
- Our energy-saving electricity system saves 20% of the resort's energy annually.

SOURCING LOCALLY

- Our bathroom amenities, as well as our hotel scent has been carefully curated with the best quality Luban (Frankincense) sourced from the Najd region of Oman.
- Our Luban Spa, the first in Oman, uses 100% pure Luban essential oils.

REDUCING FOOD WASTE

- We donate unused, hygiene and safety approved food to Oman food bank which is redistributed to those in need.
- All dry food waste is upcycled into organic fertilizer and our cooking oil is sent to Modern Arabia to create bunker fuel.

COMMUNITY

- Through our care for people project called 'Embrace', our team donate clothes and we upcycle linen and bathrobes to a local charity called Dar Al Atta.
