## GIN

A spirit derived from juniper berries, mind-boggling varieties that in-corporate flavors of various herbs and spices, ranging from the traditional to the absolutely bizarre! A classic, clean, crisp drink, with very few things quite as elegant as the Gin and Tonic. A quintessential British long drink that dates back to the 1800s when it was first invented by the British Army in India, the G&T never fails to please.

## SINGLE MALT WHISKY

Perhaps the most revered spirit in the world, not all whiskies are worthy of the title “single malt”. Single-origin distilling is only one of the rules of the rules, but once they make the cut, the resulting liquor is truly a taste of heaven.
