

LA BAUHINIA

SHANGRI-LA PARIS BRUNCH

The sea weaves its captivating narrative at La Bauhinia, as the iconic brunch unveils a savory journey of flavors: sweet, gourmet, and distinctly briny.

Here, the ocean is for sharing. Every Sunday, La Bauhinia proposes a delightful selection of dishes to share (or not) in the refined setting of this restaurant.

Discover two included exquisite dishes: a Kristal caviar selection and a signature Bénédicté egg. Then, indulge in the choice of two more main plates among the Chef's suggestions, which evolves according to seasons and inspirations.

Savor the flavors of the oyster bar, the seafood buffet, and à la carte dishes, and let yourself be seduced by a delicate selection of sweet treats.

This Sunday rendezvous concludes on a note of refinement, offering an exceptional ritual where every moment becomes a celebration of taste and elegance.
