WINE PHILOSOPHY

葡萄酒理念

Wine is one of the most civilised things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing.

- Ernest Hemingway

As a pioneer in the international food and beverage scene, Shangri-La Hotels and Resorts makes no compromises on its wine offerings.

With a team of passionate wine experts and strong logistics resources, we are committed to bringing the world's most splendid and alluring wines to the tables of our hotels. Our distinctive selection reflects the passion our team has for wine.

We aim to provide our wine-loving clients the most diverse range of wines, with a selection from up-and-coming boutique wineries as well as major well-established wine regions around the world.

This wine list is our humble homage to those vigneron and winemakers who bring us the wines that make the world more beautiful.

We seek out the most genuine and interesting wines available in the market, and our guests can enjoy attractively priced, quality wines by the glass or fine wine by the bottle.

To enhance your dining experience with us, our experienced sommeliers offer professional and detailed services, and can create wine pairings tailor-made to your requirements and preferences.

We take pride in sharing a world of good wines with you at Shangri-La.

葡萄酒是世界上最文明的事物之一，
