# WINE LIST

## *Wine Philosophy*

Wine is one of the most civilised things in the world  
and one of the most natural things of the world that has been brought  
to the greatest perfection,  
and it offers a greater range for enjoyment and  
appreciation than, possibly, any other purely sensory thing.  
- Ernest Hemingway

Our distinctive selection reflects the passion our team has for wine  
and to provide our wine-loving diners the most diverse range of wines,  
with a selection from up-and-coming boutique wineries  
as well as major well-established wine regions around the world.  
This wine list is our humble homage to those vigneron and winemakers  
who bring us the wines that make the world more beautiful.  
We seek out the most genuine and interesting wines available in the market,  
and our guests can enjoy attractively priced,  
quality wines by the glass or fine wine by the bottle.

To enhance your dining experience with us,  
our experienced sommeliers offer professional and detailed services,  
and can create wine pairings tailor-made  
to your requirements and preferences.  
We take pride in sharing a world of good wines with you at Shangri-La.
