MINIMAL INTERVENTION WINES

*Natural, Organic or Biodynamic...
only pure fermented grape juice*

MINIMAL INTERVENTION WINES

In line with Shangri-la's Rooted In Nature programme, a selection of our wines is sourced from vineyards that takes an ethical approach to viticulture and harvest grapes manually by either organic practice or under biodynamic principles. With natural winemaking, the philosophy is to simply turn grapes into wine with as little interference from the winemaker as possible.
