

# ALTITUDE

# WINE PHILOSOPHY

At Altitude Restaurant in the Shangri-La Sydney, our wine ethos is rooted in the belief that truly great wines are born in the vineyard, not the winery. We honor this by celebrating conscious farming practices such as sustainable viticulture, organic methods, and biodynamics. We are proud to feature exclusively Australian wines, complemented by select Champagnes to mark special moments and celebrate finding your Shangri-La.

Australia is at the forefront of the global wine scene, producing world-class wines from some of the oldest vines in the world. Our wine selection elevates the culinary creations of Executive Chef Brent Motley and Chef de Cuisine Jason Huynh, who craft dishes using locally sourced ingredients and incorporate Australian native flavors in a sustainable manner.

Our beverage list is meticulously curated to highlight the very best of Australian producers, designed to ensure your dining experience is unforgettable. We showcase small, emerging producers alongside some of Australia's most iconic vignerons. We take pride in showcasing Australian wines and spirits as world-class!
