

WALKING ROUTES

Jubilee Walk (Central London – a circular walk for the most sightseeing)

Perfect if: you are visiting London and want to make the most of your time in the capital you or are looking to rediscover Central London and snap the perfect photo of your dog near London landmarks.

Thames Path (following the river West to East – the most famous and popular path)

DO'S & DON'TS

DO / Dogs must be kept on a lead when exploring the public areas of the hotel. Revisit the Pet Policy to check our pet rules when staying in-house.

DON'T / Unfortunately furry friends aren't able to visit the leisure facilities or TING & GONG, however all dogs are welcome at BAR(K)31 on the ground floor.

BAR(K)31

BAR(K) 31 on the ground floor is the perfect dog friendly spot in the heart of London Bridge. Feast on homemade delicious treats and meet up with other furry friends. Dogs will be able to enjoy a variety of gluten free treats such as beef and thyme, lamb and red pepper and butternut squash with mushroom.

PUPGRADE YOUR STAY!

Shangri-La The Shard, London is pleased to welcome canine companions alongside their owners for a luxurious staycation in the clouds. With numerous nearby parks and dog-friendly dining, the hotel will provide the pawfect getaway for you and your furry friend.

A wide range of doggie amenities will be arranged as part of your pupgrade, including a comfortable dog bed, food and water bowls, a complimentary toy and collar tag, a local guide to a dog-friendly London, dog towels to use during your stay and most importantly, delicious treats from Bark(k) 31 and dog friendly menu items available for in room dining.

SHANGRI-LA
THE SHARD
LONDON

Welcome To
The Shangri-La
Tails!

HELLO AND WELCOME TO SHANGRI-LA THE SHARD, LONDON!

I'm Rocky, the Pet Relations Manager here in the clouds. I'm a Yorkshire Terrier and I was born on the East Coast of Singapore.

I love to travel and called Singapore, Hong Kong and Chengdu my home before moving to the Big Smoke two years ago. I'm very social and the best part of my job is greeting fellow pets and guests (especially little guests who like to play and cuddle!) as well as admiring the beautiful views of the city from up high.

My friends say I'm quite the fashion icon and I love to show off my style when I meet our VIPs (Very Important Pets!) with my Dad, the hotel's General Manager, Kurt Macher.

TOP TIP FOR YOUR STAY!

Don't forget to mention the code word 'Bark 31' for a special treat at Bar 31!

I wish you a paw some stay in the clouds!

Love Rocky x
